This contract is not valid unless signed and dated by Coyne Ranch Breeding Manager

(Breeding Manager) _____ (Signature) _____ Date: ____/____/____

Coyne Ranch will hereby be referred to as breeder. This is engaged subject to the following:

1. A booking fee of \$250.00 of the above fee is payable with this contract and the balance of \$ _____ plus all unpaid expenses will be payable upon receipt of an invoice or when the mare leaves the farm, whichever is first. The Breeder requires 24 hours advance notice when the Owner wishes to remove his mare(s) from the farm. Regular receiving and departure hours for visiting mares are 8 am to 5 pm. This allows us sufficient time to prepare the required health papers and final statement so the Owner may settle his account. The booking fee is non-refundable. The Laws of the State of Montana govern this contract.
2. A photo static copy of the registration papers (both sides), a veterinarian's health certificate, negative culture (required on Maiden Mares) worming and immunization records shall accompany the mare(s). If these are not presented upon the mare's arrival, the Breeder shall have the attending veterinarian make proper tests and evaluations at the Mare Owners expense. Flu and Rhinopneumonitis vaccine must be given before the mare arrives. A current Coggins test shall be furnished upon delivery of mare to the breeding farm. It is recommended that mares wormed and vaccinated within two weeks of entering the farm.
3. The Mare Owner shall agree that each mare offered for breeding shall be in sound breeding condition and free from infection or disease. The Mare Owner will provide the breeding farm with written breeding history. Any mare certified by the attending veterinarian not to be, in his opinion, in sound breeding condition shall not be bred. Mare Owner may substitute another mare within that breeding season.
4. The Breeder agrees to diligently try and settle the above named mare and above named mare and shall have sole discretion of determining the best method of breeding such mare. If however, the mare does not settle, the Breeder, shall be held harmless. There will be a chute fee on all rebreeds for the following season. This will also apply to mares that do not conceive and return during the current year breeding season. A 16 and 45 day pregnancy check is required on all mares.
5. **Live Foal Guaranteed.** Live foal means the foal shall stand and nurse. It is understood that if the mare proves barren, aborts her foal or if the foal is stillborn, a season will be guaranteed the following year, providing notification is given. Proper notification shall be defined as follows: Written certification by a licensed veterinarian within seven days that the mare has slipped or produced a non-viable foal. Mare Owner certifies that such abortion did not result from any omission of the Owner subsequent to the mare's departure from Coyne Ranch. A booster of Pneumabort K vaccination must be administered as the mare progresses through her pregnancy in the 5th and 7th and 9th month of gestation. Failure to do this will void live foal guarantee.
6. The breeding season in force for this contract shall begin February 1st and close June 1st. No new mares will be accepted for on site breeding after June 1st, unless both parties agree on special arrangements.
7. It is further agreed that should the above named stallion die, or become unfit for service a full refund of the breeding fee will be returned to mare owner. If the above named mare dies during the breeding season then the Mare Owner may substitute another mare that both the Breeder and Mare Owner agree to.
8. A breeder's certificate will be issued to the Mare Owner after all expenses have been paid in full and upon notification of the birth of the foal.
9. Waiver of Liability. It is understood that the breeding farm, its owners, stallion owners, employees, veterinarians and guests shall not be liable for any injury, escape, disability, or Death of any horse on its premises. The above named Mare Owner, whose horse(s) are under the care of Coyne Ranch whether or not caused by his horse.
10. When the above named Mare Owner signs and returns one copy of this contract to the Breeder, it will then be a binding contract on both parties, subject to the term and conditions. This contract is not valid unless completed in full.
